Trainer Observation Assessment Form

This form is to be used by Perth Boat School to give constructive feedback to a Trainer.

The Perth Boat School will:

• Advise the Trainer that this checklist will be used to give feedback on their performance. It is therefore preferable to give as much notice as possible about this checklist’s requirements.

• While observing the training session, tick the box that best represents the Trainer’s performance in each area, using the columns, as outlined below:

<table>
<thead>
<tr>
<th>Requires Further Evidence</th>
<th>Yes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tick the box in the column titled ‘Requires Further Evidence’, if you are unsure if the Trainer has provided sufficient evidence to fully satisfy the criteria</td>
<td>✓</td>
</tr>
<tr>
<td>Tick the box in the column titled ‘Yes’, if you are fully satisfied that the Trainer has meet the criteria specified</td>
<td>☐</td>
</tr>
</tbody>
</table>

• Be as inconspicuous as possible, eg. at the side/rear of the training room, and not interrupt or be part of the training session. This allows them to observe all aspects of the training session, and not be side-tracked.

• At the conclusion of the session, use the checklist to give verbal feedback to the Trainer. The response from the Trainer may also be included, after the verbal feedback has been given.
